NOTICE.

Barre, Vt., Jan. 1st, 1906.—Notice is hereby given that we shall discontinue selling goods on credit on and after the above-given date. We cannot possibly give credit and sustain the lowest possible live-and-let-live prices, which we have always aimed to sustain. We buy our goods on a cash basis, and in so doing we need the cash in return for our goods to meet our bills promptly and secure for you the lowest possible prices. What little credit business we have practiced in the past few years represents quite a large proportion lost, and we trust our many patrons will feel that it is for their best interest also to pay cash and secure the lowest prices—and to know that they are not helping to pay for someone else's unpaid bill. We assure you that on a cash basis we shall always make you the lowest prices possible. We take this opportunity to kindly thank one and all for their generous patronage in the past and shall do all in our power to merit a continuance of the same under our new basis.

Very respectfully yours,
